2nd European CyTOF Congress

November 20–21

Van Swieten Saal – Medical University of Vienna,
Van-Swieten-Gasse 1a, 1090 Vienna, Austria

Join us for an opportunity to learn from your fellow experts and researchers about how high-content solutions in serum, spatial and single-cell proteomics are driving groundbreaking research and discoveries. Be part of this exciting two-day event in the heart of Vienna and explore new ways in which high-plex proteomics – powered by CyTOF™ technology and the Hyperion™ XTi Imaging System – is unlocking new insights into health and disease. Stay tuned for more updates and registration details.
